Presidents Report: by Sean

Welcome to February everyone !

We can celebrate the arrival of the new Club trailer, courtesy of Peter & Shirelee Mourdoukoutas and Graeme Walker – check out the article and pics in this issue.

I have also put out the call for a club member to take on the role of Log Book Officer with the Conditional Rego Team. As the job gets bigger they really need someone to help out and lessen the load. If you think you may be able to help out, check out the article also in this newsletter issue.

While we are on the subject of Committee, remember that the AGM is just around the corner on March 5th. As is the norm, all positions are declared vacant. Most committee members usually will stand again, but this year we are be looking for a new Vice President. But what this means is if someone from the committee nominates for this VP role we could end up with another vacant position. I would strongly encourage anyone who wants to get involved in the Committee to stand for a General Committee member position. This gives you the opportunity to get involved at the ground level and see how things operate and get your chance to have a say and influence the direction of the club. 5 years of Committee service is an essential element that contributes to Life Membership of the Club.

Hopefully we all see each other at the February meeting, Corvettes Rock the Bay at Glenelg on the 9th and the March AGM.

President Sean.

GRAHAM & DEBBIES BIG DAY OUT

We arrived at Repco at 9.45 to find 3 corvettes already waiting to start the day.

By 10.20 we had 24 cars including 2 non corvettes.

Leaving Repco we headed towards the Southern Expressway, unfortunately not all cars got through the first set of traffic lights but they soon all caught up.

We picked up a couple more cars on our journey. I think in the end we had 26 corvettes

All was going well until we arrived in Strathalbyn where we lost a couple of cars (sorry about that) but they were soon on the right track.

Our lunch destination was the Bridge Hotel, Langhorne Creek.

We had the pergola area to ourselves.

Thank you all for coming

Thank you to Steve & Michele Ward for the great food & service.

Thanks also to Sean and Jane for helping with the radios

HEADS UP – CLUB TALK ETIQUETTE FOR CLUB MEMBERS ATTENDING EVENTS

DINNERS

We would like to highlight some housekeeping rules for club members conduct when booking and attending events.

Please have consideration of the vendors and organisers of club events.

If you have booked a place at a seated event and are no longer able to attend, please ensure that you inform the organiser with reasonable notice or by due date allowing other members to attend.

Do not attend an event expecting a place if you have not made a prior booking.

We must respect the vendors capacity to hold the numbers allocated as this impacts their level of seating availability and staffing for meals and serving.

Not providing notice that you can't attend, could become a cost to the club if we have prepaid deposits for attendees.

RUNS

When attending a club run that has two (or more) meeting points (eg. a North and South meeting point), the organiser may designate a mid point rendezvous location. It is important to adhere to that location and timing for the following reasons.

This ensures we all arrive at the final destination as a group at the same time without creating disorganisation / misunderstandings.

If there are incidents along the way, club members will be aware to provide support to those affected.

No changes to be made to the route of the event unless approved by organiser of the event.

It is our intention to create an ethos that demonstrates professionalism and unity which in turn gives us credibility in the public arena.

TIM NEEDS A FAVOUR

If you're an owner of a Conditional Registered Vehicle with our club, our Conditional Registration Coordinator Officer - Tim would appreciate, if or when you sell your car, to please call him or one of the other C.R.V. officers and tell them that you no longer own the car. If you don't, Tim will get angry!! 😡

ALSO, IF ANY NEW MEMBERS TO THE CLUB WOULD LIKE CCSA NAME TAGS, CONTACT TIM PH: 0421 103 230 AND HE WILL ARRANGE THEM

Check out the clubs new trailer

The Corvette Club is very lucky to have a club trailer donated by some of our special members.

Peter and Shirelee Mourdoukoutas have graciously donated an enclosed trailer to the Club. The trailer is primarily a way to bring the items required for our annual show and shine event, *Corvettes Rock the Bay*. But it also can be used by any club members for club events, or any other events approved by the club, such as charity events, bbq's or other car related events.

The fit out of the trailer would not have been possible without the fabrication and painting skills of **Graeme Walker**, who spent considerable time and effort transforming the trailer into the little showpiece it is. If there is a trophy for best trailer at the *Glenelg* show this would be a winner. The trailer has been modified to contain items such as gazebo's and trestle tables and house them on a permanent basis.

Peter can store the trailer in his carport, but if anybody has a better storage option, let him know.

The Corvette Club is extremely grateful for the generosity and work of Peter and Shiralee Mourdoukoutas and Graeme Walker and their substantial contribution to the Club and its members.

President Sean.

Expression of Interest.

The club committee is seeking someone to join the team to coordinate Log Books.

The expansion of Conditional Registration (also referred to as Club Rego) has created some extra work for the hard-working Club Registrar and Club Inspectors team.

What was once a simple job of getting a handful of Log Books has evolved into a real job. The Club Registrar team would really appreciate an extra member to take on the role of looking after Log Books, so they can just get on with doing what they do.

The position would involve the purchase of Log Books, distribution to the team and recording of where those log books went. Arthur will help get you into the role.

Most of the work is only during the November to January period.

Any club members who are good at organising stuff and have a slight OCD bent are strongly encouraged to apply. Also, this role is considered a general Committee member that adds towards Life Membership.

President Sean.

CLUB EVENTS: IF YOU HAVE AN AMAZING IDEA

As Events Coordinator, I know everyone is busy from month to month with friends and family commitments etc, but we are always looking for ideas from club members involving runs, dinners, weekends away or any other events as a social outing.

The clubs aims at holding two events per month (usually 1 run & 1 dinner). So please contact me to assist planning your amazing ideas.

The structured events will then be published in our monthly newsletter and club website for all to be made aware of dates and details .

Regards Serge

DID YOU KNOW.....

The clubs mail is only collected 2 times per month from the Post office box (Prior to both General and Committee meetings). The mail is then passed to the relevant people to process at these meetings. This means if you are posting your conditional registration logbook to be signed, potentially the wait could be at least one month before it is returned to you.

As this is the club mailbox we have limited number of keys that are utilised by committee members for pick ups.

Hopefully this explains why your logbook may take time to be returned to you.

If you have any questions on this, please feel free to contact the executive committee being the President, Vice President, Secretary or Treasurer.
